Invitation to submit tenders in tender procedure – small-scale public supply contract „Multinuclear coil for CEITEC MU - II“

Dear Madam or Sir,

Masaryk University, CEITEC - Central European Institute of Technology, registered office Kamenice 753/5, 625 00 Brno, ID No.: 00216224, represented by prof. RNDr. Jaroslav Koča, DrSc., director of CEITEC MU, (hereinafter the „contracting authority“), invites you to submit tenders to the small-scale public supply contract **„Multinuclear coil for CEITEC MU - II“** (hereinafter the „public contract“).

The contracting authority is not obligated to award this small-scale public contract in accordance with the Act No. 137/2006 Coll., on Public Procurement, as subsequently amended, pursuant to the provisions of Section 12 (3) and Section 18 (5) of the Act.

Detailed description and specification of the public contract subject matter and related obligations are stated in this invitation to submit tender and in the attached procurement documents and their Annexes.

The procurement documents in full are published on the contracting authority profile (i.e. through the electronic instrument E-ZAK) <https://zakazky.muni.cz/vz00003757>, from the date of publication of the invitation to submit tenders.

Tender procedure in question is administered and procured using the electronic instrument E-ZAK from this site: <https://zakazky.muni.cz>. Therefore all actions are performed through the electronic instrument E-ZAK unless the contracting authority determines otherwise.

The public contract will be awarded on the basis of the lowest price. The tender shall be ranked based on the tender price in CZK, excluding VAT.

The time limit for the submission of the tenders has been set by the contracting authority **on 7 August 2015 by 10 AM CET at the latest**. The tenders shall be submitted within the above period in printed form delivered at the address: Masaryk University, Žerotínovo nám. 9, 601 77 Brno, or in electronic form through the electronic instrument E-ZAK.

With regards

prof. RNDr. Jaroslav Koča, DrSc.,
director of CEITEC MU
