DECISION ON THE SELECTION OF THE MOST SUITABLE TENDER

Contracting authority: **Masaryk University**, registered office Žerotínovo nám. 617/9, 601 77 Brno,
ID No.: 00216224,
Public supply contract: **Magnetometer for the project CARLA**
Project: Center for the Advancement of Research in the Liberal Arts - CARLA
Project reg. no.: CZ.1.05/4.1.00/04.0196

The contracting authority has decided to select the tender submitted by **Eastern Atlas GmbH & Co., KG**, registered office Berliner Strasse 69, 13189 Berlin, Germany, Reg. No: Wuerzburg HRA 46054 B, (hereinafter the „tenderer“), as the most suitable.

Justification:

The contracting authority obtained only one tender submitted within the time limit for the submission of the tenders.

The tenderer demonstrated the fulfilment of qualifications in view of the requirements of the contracting authority set out in the procurement documents.

The tender submitted by the tenderer has fulfilled the requirements of the contracting authority indicated in the procurement documents, the tender has not been in contradiction with legal regulations in force and the tender has not contained an abnormally low tender price.

Due to the fact that only single tender has been submitted, the evaluation committee did not carry out the evaluation of tenders on the basic evaluation criterion of the lowest tender price in CZK excluding VAT in compliance with the article XIII. of the procurement documents.

The evaluation committee recommended the contracting authority concluding a contract with the tenderer. The tender price of the tenderer is 70.545,- EUR excluding VAT.

Thereafter the contracting authority decided to select the tender submitted by the tenderer as most suitable for the performance of the public contract.

In Brno on 18 August 2015
