### Terms

- Individual Licenses.** The software is licensed with an Individual Product Key (software license key) and can be activated on only one machine. If you need to move the license to an alternate machine due to hardware failure or accessing on a newer machine, please contact [support@wavefun.com](mailto:support@wavefun.com) to facilitate license transfer. If access on a second home machine is desired, Wavefunction may offer a discounted home license option, contact [sales@wavefun.com](mailto:sales@wavefun.com) for details.
- Network Licenses.** Access to Spartan for Windows, Linux, or Macintosh can be extended via a network license where access to the software is facilitated via a license manager program licensed with a Network Product Key (software license key). A network license allows the software to be installed on as many computers as the organization desires, and accessed concurrently up to the number of seats licensed. Access is restricted to computers at a defined geographic site. The license manager is to be installed/activated on a physical machine (not a virtual machine) and will license manage the software in a 'floating' mode. For sites requiring use of a virtual machine as license manager, this is only available for annual site license customers or for software under a current maintenance contract, contact [sales@wavefun.com](mailto:sales@wavefun.com) for additional details.
- Fixes and Maintenance Upgrades.** Updates are provided at no charge for 60 days from software receipt. Additional version updates (minor and major version releases) and priority technical support may be provided for with purchase of a separate maintenance contract.
- Shipping.** Most software is available via download, requiring no shipment. If your organization requires a physical shipment, please contact [sales@wavefun.com](mailto:sales@wavefun.com) for an estimate of shipping charges, final shipping and handling charges may vary and will be added to the invoice.
- Payment.** Payment is accepted by CHECK in U.S. Dollars drawn on a U.S. Bank. Payment made by wire transfer is subject to an additional \$35.00 wire fee. Payment for over \$2,000.00 paid by Visa, MasterCard, Discover or AMX is subject to a 3% fee. **Net 30.**
