Small-scale public contract

## **„Preservation tank“**

### **Explanation, completion, changes of procurement documents no. 1**

Dear sir, dear madam,

Masaryk University, Faculty of medicine, seat: Kamenice 753/5, 625 00 Brno, identification number 00216224, as a contracting authority is allows to publish explanation, completion, changes of procurement documents to this public contract

On the day 9. January 2018 was delivered to contracting authority the request for explanation, completion, changes of procurement documents. Economic operator asked contracting authority, if it is possible to prolong the lead time set in the article V. paragraph (2) in document „Contract proposal“ from 90 days to 120 days.

- 1) Contracting authority agree with the proposed amendment and change the formulation the article V. paragraph (2) in document „Contract proposal“ from 90 days to 120 days.

The whole paragraph (2) article V. in document „Contract proposal“ is now in this formulation:

*“The Seller shall deliver the Goods to the Place of performance Buyer within **120** days after the Advanced payment in accordance with the Article III.2 of this contract is made by the Buyer.. Seller shall notify Buyer that the goods have been dispatched by phone call to phone No. +420 549 49 3265 (Marek Buriska –public tender manager).”*

- 2) **Contracting authority annexed to this document complete new version of document „Contract proposal“ contained upper mentioned amendments.**  
**Contractors must accept these changes and these changed documents use in tender.**

- 3) Following the above explanation, **completion, changes of procurement documents**, the contracting authority decided to prolong the deadline for submitting tenders for this public contract.

**The deadline for submit tender is newly prolonged to 22. 1. 2018 to 12:00 hour.**

**4) The other tender terms of this public contract remain unchanged**
