ID No.: 00216224

In Brno on 29 May 2015

**Invitation to submit tenders in simplified below-the-threshold procedure – public supply contract
„Multinuclear coil for CEITEC MU“**

Dear Madam or Sir,

Masaryk University, CEITEC - Central European Institute of Technology, registered office Kamenice 753/5, 625 00 Brno, ID No.: 00216224, represented by prof. RNDr. Jaroslav Koča, DrSc., director of CEITEC MU, (hereinafter the „contracting authority“), invite you to submit tenders to the public supply contract **„Multinuclear coil for CEITEC MU“** (hereinafter the „public contract“).

The public contract shall be assigned in simplified below-the-threshold procedure pursuant to the provisions of Section 21 (1) f) of Act No. 137/2006 Coll., on Public Procurement, as subsequently amended.

A detailed description and specification of the public contract subject matter and related obligations are stated in this invitation to submit tender and in the attached procurement documents and their Annexes.

The procurement documents in full is published on the contracting entity profile (i.e. through the electronic instrument E-ZAK) <https://zakazky.muni.cz/vz00003659>, from the date of publication of the invitation to submit tenders.

Tender procedure in question is administered and procured using the electronic instrument E-ZAK from this site: <https://zakazky.muni.cz>. Therefore all actions are performed through the electronic instrument E-ZAK unless the contracting authority determines otherwise.

The contracting authority bases the award of public contracts on the basic evaluation criterion of the lowest tender price. The tender shall be ranked based on the tender price in CZK, excluding VAT.

The time limit for the submission of the tenders has been set by the contracting authority **on 17 June 2015 by 10 AM CET at the latest**. The tenders shall be submitted within the above period in printed form delivered at the address: Masaryk University, Žerotínovo nám. 9, 601 77 Brno, or in electronic form through the electronic instrument E-ZAK.

With regards

prof. RNDr. Jaroslav Koča, DrSc.,
director of CEITEC MU
